Kawaii Kuties

Pants Pattern

An original design
by Pauline McArthur 2013

Hi there!

*These pants fit ALL of the Kawaii Kuties!
The patterns for these are available on the
website.*

*I have to admit I am NOT really excited
about sewing my own clothes, and I was
worried that small clothes would be
HARD to sew BUT I managed to make
these cute dungarees/pants out of ONE
piece of FELT!*

What could be simpler? :)

*It was such fun to design, and even more
fun to decorate!*

*Hope you have fun making and dressing
your Kawaii Kuties!*

*Happy sewing!
Pauline*

Sizing:

One size fits ALL the Kawaii Kuties Dolls.

Recommended Fabric:

I used felt for making the kawaii dungarees/pants.

STEP 1 - Get all your materials

Specific Requirements :

- Felt 30x20cm / 12x8inches wide.

General Requirements :

- General sewing supplies (thread, needles, scissors, etc).
- Fabric marker.

STEP 2 - Layout

- The felt pants can be made from wool felt or synthetic felt.

*** TIP**

I have a blog post with pros and cons of both to help you decide which to use -

FELT

STEP 3

- Glue or tape the 2 pattern pieces together as marked. Glue the pattern page onto thick paper or card and cut out the PANTS PIECE to make your template.

STEP 4

- Trace the PATTERN PIECE onto the felt with a permanent pen or fabric marker and cut out.

*** TIP**

I love using an air-erasable pen as it fades to nothing after a short while!

STEP 5

- Sew the pants together from A - B, with a 5mm / quarter inch seam-allowance.

*** TIP**

You don't have to use a sewing machine, felt is easy to sew by hand too!

STEP 6

- Cut off the corners of the seam-allowance.

* This stops the fabric of the seam 'peeping out' when the pants are on your Kutie.

STEP 7

- Pin the PANTS together matching points B, C and D. (The seam must be facing outwards.)

*TIP

I like to pin the seam open when I sew the next bit to make it lie nice and flat.

STEP 8

- Sew the pants together at the middle, from C - B- D, with a 5mm / quarter inch seam allowance.
- Trim the seam corners again.

STEP 9

- Fit the pants on your kutie. Pull them up until the sides are just under the arms, then pin them in place to check the fit.

*TIP

Stop and admire the pants from behind - what a sweet little bottom!!! :D

STEP 10

- Sew the straps in place then add a fancy button for decoration (This will hide your stitches).

* **TIP:** You can use velcro or press-studs to make the pants removable!

Have fun dressing your kuties!
